A boosters organization operates in connection with Columbia Lutheran School. The organization welcomes participation from all who wish to continue to make Columbia Lutheran School an excellent education option for the community. Each member brings his or her unique views and expertise to the group—we can draw on this experience and build on it to contribute to the continued success of Columbia Lutheran School.

The boosters group currently contributes by:

- Assisting in positive promotion of the school, through informal word-of-mouth and formal events
- Coordinating optional fundraising to help offset tuition costs and to support projects:
  - Columbia’s scrip program through shopwithscrip.com
  - Boxtops for Education
  - “Columbia’s Cozy Critters” booths at Columbia Gorge fairs/festivals (making Build-a-Bear style stuffed animals)
  - Kids’ Kountdown annual New Year’s Eve community party
  - Fred Meyer Community Rewards
- Coordinating volunteer participation at the school
- Exploring other activities and projects that would be beneficial to the school and its students and families
